

Room-Sharing Agreement

This is an agreement between The Paws Resort & Spa, L.L.C. (hereinafter called "The Paws Resort & Spa") and the pet parent (owner) whose signature appears below (hereinafter called "Parent"). "Pet" may refer to a dog or a cat, or both, as applicable.

1. Parent requests that multiple pets from the same family share lodging accommodations.
2. Parent understands and agrees that in accommodating their pets for room-sharing, The Paws Resort & Spa has relied on their representation that their pets have not harmed or shown aggression or threatening behavior towards any person or other pets.
3. Parent understands that when pets share the same room, the potential for fights exist. Parent understands that this risk is higher when pets are away from their normal environment, such as in a lodging situation. The Paws Resort & Spa will feed each pet fed separately to eliminate the possibility of disagreement during meals.
4. Parent understands that The Paws Resort & Spa reserves the right to re-assign pet(s) to individual rooms or suites if they become destructive, overly aggressive or disruptive to staff or other pets. If The Paws Resort & Spa determines that re-assignment is necessary for the safety of pets and staff, Parent agrees to pay the rates for pet care services (as set forth in "Lodging Policies") corresponding to whether the pets are sharing a room or are in individual rooms. Parent further agrees that pet(s) will not leave the facility until all charges are paid.
5. Parent authorizes The Paws Resort & Spa, at its sole discretion, but without any obligation to do so, to do whatever it deems reasonably necessary for the health and well being of their pet(s) during their visit and Parent assumes full financial responsibility for any and all expenses involved.
6. Parent understands and agrees that if their pet(s) become ill or injured, or if the state of the pet(s) health otherwise requires professional medical attention, in each case in the reasonable judgment of The Paws Resort & Spa, The Paws Resort & Spa, in its sole discretion, may engage, but shall not be obligated to engage, the service of a veterinarian, administer prescribed medicine or give other prescribed attention to the pet(s), and the expenses thereof shall be paid by the Parent.
7. Parent understands that although it is very rare, there have been reported incidents in which pets from the same family sharing accommodations have engaged in behavior resulting in serious injury and even death of such pets. It is expressly agreed by Parent that The Paws Resort & Spa has no liability related to any injury or death of pet(s) inflicted on or by pet(s) that may occur while pets are sharing a room.

I certify that I have read and understand the policies of The Paws Resort & Spa set forth in this agreement and I agree to abide by these polices and accept all the terms of this agreement.
